

AquaDoula BIRTH TUB RENTALS

AquaDoula

The AquaDoula is the original portable spa developed specifically for labor and water birth.

For years the AquaDoula has helped mothers and babies worldwide experience a gentler birth.

Easily set up in minutes with minimal assembly, the AquaDoula is soft, yet sturdy and comfortably fits two adults. It has the room to also accommodate children. It has a heating system that maintains the water temperature continuously.

The AquaDoula measures 55 inches in diameter, 25 inches deep and holds 150 gallons of water. The AquaDoula weighs 60 pounds empty, 1250 pounds full.

AquaDoula Rental Includes:

*1 fish net

*1 liner

*Submersible water pump, used to empty water after birth

COST: \$185.00
